Youth Program

Joseph delivered his Youth Foundation Program to a nearby community.

He states; “We are fighting for a new generation to know and work with God”. Indeed!

Farming

Sisters seen here are weeding in the fields.

Ongoing Construction

The next project is lodging. The sand is brought from the river during the dry season. The global fuel crisis is making the transportation of these raw materials more expensive.

District Leadership Meeting

District Leadership meetings are held throughout. Joseph is prepared for long distance travel to these meetings held in Sierra Leone. His family is always happy when he returns safe from strengthening other congregations.

Visiting Other Brethren

Traveling from congregation to congregation is also a good way to introduce the CRBC.

These are some of the other brethren Joseph fellowships in his travels; some of which are in need of encouragement and to be strengthened.

Family

As Victoria was away for “three weeks” taking a “long distance educational course”, Joseph was in charge of kitchen duties. When she returned he said he was “preparing for her a special soup”. She was obviously happy to return home because of her welcoming committee.

Gabriel is seen with his new bike, learning to ride early; two wheels seeming to be the main mode of transportation.

The Yillia family expanding,
Victoria is with child.

Gabriel and his little brother Caleb.

CRBC Classes

“The school is doing immensely well as it is in progress and on-going.” Part of the student contribution toward their education is making gardens. “They also participate fully in evangelism and seminars.”

Sierra Leone

The **Sierra Leone Civil War** (1991–2002), or the **Sierra Leonean Civil War**, was a civil war in Sierra Leone that began on 23 March 1991 when the Revolutionary United Front (RUF), with support from the special forces of Charles Taylor's National Patriotic Front of Liberia (NPFL), intervened in Sierra Leone in an attempt to overthrow the Joseph Momoh government. The resulting civil war lasted 11 years, enveloped the country, and left over 50,000 dead.

As the UN mission began to fail, the United Kingdom declared its intention to intervene in the former colony and Commonwealth member in an attempt to support the weak government of President Ahmad Tejan Kabbah. With help from a renewed UN mandate and Guinean air support, the British Operation Palliser finally defeated the RUF, taking control of Freetown. On 18 January 2002, President Kabbah declared the Sierra Leone Civil War over.

(Wikipedia)

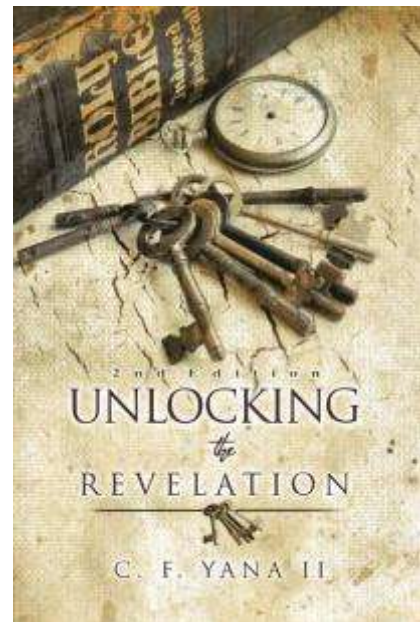

Wars are the results of a lack of having God control the thoughts and actions associated with the human nature. Only with the truth can mankind truly be free (Heb 4:12).

2Co 10:3 “For though we walk in the flesh, we are not waging war according to the flesh. 4 For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. 5 We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ,”

The goal of the CRBC is to train preachers as soldiers of the cross of Christ in order to take good news of truth and hope “into all the world” (Mark 16:15).

Support Information

If you, or your congregation, would be interested in supporting the work of the CRBC, a free copy of the book “Unlocking the Revelation” can be sent to you. To support the CRBC, checks can be made out to: “*Lighthouse Church of Christ*”; memo line “*Joseph Yillia/CRBC*” (address listed below). An updated financial report can be sent to any donor. Budgets can be tight but even a small amount of \$50 each month would go a long way toward the goal of finishing the campus of the CRBC. If you would like to purchase a copy of “Unlocking the Revelation” they are \$12.95 plus shipping and handling. Contact me via chapelalley@gmail.com for more information.
